-A very serious misfortune nearly beel one of Holispherg's fine pianos yes terday. The new instrument in question was being loaded on a vehicle, when the horses took it into their heads to trot up second street in a manner pseuliar to run aways, and all hands jumped down, bu one helty colored person, who clung to the instrument. In the course of a serie of maneuvers, which he was reluctantly of maneuvers, which he was residently forced to perform on the route, he was alting on the keys and hepping up and down very lively. The people along the street poked their honds out the windows and doors to hear the music, which was like a hand of a thousand barre. The nesverily misindly was like a harm which the horses had outen heard while standing outside church doors in the days of their court. The effect was marvelous. The youth. The effect was marvelous, The animals sinckened their pace and finally stopped, charmed at the sound of their own music. The pisne escaped mahurt.

The Tennessee press will universall sympathizs with Mr. John E. Hatcher i the effiction which has overlaken bind i the death of his daughter. Miss Hatche was a young lady of unnous promise, and being an only unlid the affections of her parents were so wrapped up in her that her loss is simust fasal to them. The de-cessed was more than usually gifted in intellectual capacity, developed and ex-panded by a liberal education. She bere her long and painfull times without a murmur of complaint, and her only regret in yielding to her final summons was be-cause of the grief flur heart-lucken parents experienced in parting with her. Mr. Hatcher is a Tennessean, and for years was connected with the press of this State. years agone he and the writer of thi joyed the same stories and were addict to the same habits and pursuits. A ore genial nature and warmer heart, or e tuiter of tender and equobling sensi-lities, never beat in a manly bosom. In e native delicacy of his moral organiza

on and refinement of feelings he is al cest womanly. We would tender his surances of heartfelt sympathy. -The examination in the St. Peter's no hese schools are the most pictures que un esutiful in the city. They are situate in Washington street, beyond Third, an re the only school buildings in the cit nat can be said to be complete and per-ct in their appointments. Since the last examination, a wing and a spire have been added, which cost five thousand dollars. The boys' department was under examination yesterday. They went through the usual course very creditably, but evinced remarkable proficiency in gram-mar and a knowledge of English. There is a noticeable monesty and sweetness in to manners of these boys, which appear be mainly due to the fact that they have on taught by the sisters of La Salett Anademy, which is adjacent. Their offi-ciency in all their studies is another forare that shows the power ladies have to mpart knowledge. Those who hold that women can fill many positions claimed exclusively for men, will find room for the practical demonstration of the ruth of their theories here. The Sisters sion of the fact that in many respects the -Weether comfortable about Memphis.

could be had, and with that view instructed the President to enter into negotiations with Colonel H. S. McCombs for that purpose, which efforts, the direc-tors are pleased to report, resulted in obtaining terms satisfactory to them, and as favorable to your company as the 15 00 friends of your enterprise hoped for. The \$33 00 pany \$163,468 74, Interest included, for twelve months, at 7 per cent interest, if The above bills were all passed and or your Board would release them from the dered to be paid.

Dr. Feuner, from the Committee on School Ground, Buildings and Furniture, esked that the committee be authorized to pay all existing claims against your company, and cancet the contract which waster removed from the cellars. Fieces, Feete & Co. for the work under on modes, the request was granted. at a time when provisions and isbor were Dr. Taylor, from the Committee on much dearer than now, your goard has eachers and Text Books, made a report good reason to believe that the same work cachers and rext roots, make a "Green's can be re-let at a greatly reduced price, can be re-let at a greatly reduced price, rammar" was one of the prescribed text thereby making a great saving to your cooks. The committee also recommended

the sexes be separated in the Alzbana sirest school, and that an additionif teacher be employed in that school.
Also that Miss Clara Conway, who is now
soling as teacher and principal, abould be
installed as principal of the school. They
also recommend the introduction of
Manry's Geographical Series and Venabulle's nigher arithmetic. In regard to the
selection of a primary grammar the committee asked for further time.

Mr. Wiggin moved that the report be
nesting of the Board, Passed.

Mr. Barbour, from the committee apcolled to the last regular meeting of the
solution at the recommendations
to isld over for further action at the next
meeting of the Board, Passed.

Mr. Barbour, from the committee apcolled to the last regular meeting of the
Board, to select a suitable canflinted to
fit the vacancy in the Tolid Board, crealse by the resignation of Thes, R Smith
presented the name of C. W. Motali.

Mr. Hotbrook phased the name of Cr.
Ellict in nomination.

The committee appointed at a former meeting of the Board to receive bids for printing the proceedings of the Board, were called upon for their report.

Mr. Mansford, Chairman, presented the several reports from the publishers of the newspapers of the city.

Mr. Holbrook moved that a ballot be taken which should be the official newspaper of the Board of Education.

On the third ballot

On the third ballot ten voies.

during next year. This agreement of all the indurement of all the indurement railroad men of Memphis; the original copy of which is hore with submitted for your consideration and approval. The Psducah and Gulf railroad was thoroughly examined and carefully inspected by a committee of your directors, and a full and accounte report made to your board of its condition and value, to which report your attention is during next year. This agreement was unanimously approved by your Board of whole country as any American State.

Directors and has the indersement of all

A REPLY

Editors Appeal—On my return from Brownsville this morning, I see that the Laid on the table,
By Mr. Taylor:
Resowed, That the Secretary be instructed to make out the "pay roll" for
June, and that the Tressurer be instructed
to pay one-half of amount over to the
teachers.
Raferred to Committee, consisting of
Messrs. Stefley, Bruce and Holbrook.
By Mr. Taylor:
Resowed, That a vote of thanks be
tendered the press of the city for their
kind attention at our recent examinations.

Brownsville this morning, I see that the
kind notice given me in yesterday's
Ledger has caused A. Harris to publish,
in this morning's Apprant, as ill-tempered
card, and justly make himself the laughing stock of the city. The assertion that
I "run around" to get a few man to
sign a paper, saking that I should
have a seat in the Directory of the
Mississippi kiver Railroad Company,
is without the shadow of trath. I
never presented the position to a living
man, though it was signed by the officials
and many leading men of Dyer county. are still averse to the great change they have men to a living man, though it was signed by the officials and many leading men of Dyer county. Herris anys he is a large tax payer. Escoteed, That for the purpose of saying expense, the Secretary is hereby instituted to make his reports of the proceedings of this Road for publication as about as possible.

By Mr. Wiggin:

Beautier of the Building Committee have power to make all necessary repairs on school buildings during the vacation. Adopted. By Mr. Manaford:

Beautier of the process of the process of the second buildings during the vacation, and the second building during the vacation and the second building during the vacation, and the second building during the vacation so that they can be designated differently from the barbarous and unmeaning names they have at present.

Committee—Manaford, Taylor and W. Z. Mitcheil.

By Mr. Steffay:

Resolved, That a committee of three be appointed, to examine the secounts presented by the Secretary, as copy of building fund account, on his bedger, and designate what items are chargeable to the general fund, it any.

Adopted. Committee—Measrs. Gavin, Steffay and Barbour.

The President, Dr. Maury, presented a committee of the bedger and committee of the bedger and designate what items are chargeable to the general fund, it any.

The President, Dr. Maury, presented a committee.

GRAND BABY SHOW.

Six Prizes for the Six Brightest Speci mens of Babyhood.

town. Yesterday afternion a gentleman from Cold Water, Miss, was going down Main strest to purchase a stove, when he was accepted by two persons who shook The Masonic celebration of St. John's day occurs of course on the 24th instant, Curiously enough the managers of the af Curiously enough the managers of the af-fair have adopted our suggestion and will make the great baby show an attractive adjunct of the amusements of the festal occasion. There will be valuable prizes awarded to the six finest speci-mens of babyhood exhibited. Last night when the matter was mentioned in his presence, Captain Ather, of the po-lice, said he would be forced, from this time forth, until the 24th, to keep an eve time forth, until the 24th, to keep an eye on fond mothers in his district. He knows several who will stuff their brats o death if they are not looked after.

There will be duncing and music and afreshments, and the Masonic festival of the year will doubtless be the most lightful ever given.

THE WEATHER. METEOROLOGICAL RECORD, SIGNAL BERVIOR, U. S. A. MEMPRIN, June 18, 19.43 p.m.

T. J. BBOw.N. Ginery

Silvy Rose is a colored woman who WAR DEPARTMENT. wished to go into business on her ow OFFICE OF THE CH. SIG. OFFICES, WASHINGTON, June 13, 1871. account yesterday. She entered into a pargain with another colored for the pur-see of selling some of west 'Squire Mil-No muterial change is reported from the per calls chattels. She agreed with Mary Jane Ward to sell a pair or pents, a pair or boots and a fur cape for the considerable sum of nine dollars. She took charge of the "chattels," turned them into one and om west of Nebrasks. A low barome ter was reported Monday evening on Lake Superior. It has moved very rapdly to Lake Ontario and is now over Lake Champiain. Belak winds have pre-valled during the day from Lake Huren went on s spres of the first magnitude Miller sent the case before the grand jury Leitia Ramsey is the hantsankerous mother-in-law of Charles White, and she o Chesapeake bay and Vermont. The arometer continues high in the Southern nanages to keep Charley and his house-nold in such a state of ferment that he States. Clear weather usa very generally been reported, excepting only rain in Northern Florida and this evening of thought it would be a wise plan to refer the matter to 'Squire Miller, who called on Southern Maine. The wind in the Midd'e Letty to furnish \$200 bonds to keep the and Eastern States will probably absteduring the night. There are no indications of any disturbance on Wednesday east of the dississippi. Partially cloudy and warm weather will probably prevail. THE MEMPHIS AND RALEIGH NARROW

PERSONAL.

Cotonel Tom Neal, of the Dyersburg sette, left the city yesterday and will verdict of accidental drowning. The corpses were buried at the expense of the county.

It is a spense of the State.

What Was Said of the State.

It is a spense gang, which has been on a bender down into Seginaw Bay, away down in Michigan, have been drinking towns on the broad bosom of one of the great lakes. Tennessee was toasted at the dinner table, and as reported in the Saginaw Baylerprise, Mr. Kashing, of the dinner table, and as reported in Tennessee it has proved.

Will meet them in a jum and liberal spirit. They are composed of the exceitent directory and the project, vir. J. T. Swayno, the President; They are composed of the exceitent directory to the tenne the goes via Danver City to California. We hope he will keep Grant at table, who is on the road to sunset in non-sense than one.

Brooks, M. D. L. Stewart, M. E. Cocheran, General Forrest has been ordered to appear to the federal capital within a few days.

We tope nobody with herester question that the propriets of the States of the order of the states of the state of the state of the late of the state of the state of the state of the late of the state of Colonel W. L. Duff leaves this morning own imagination, attempted to get off a "phun" on the year erday, which was devoid of wit and was more applicable to the writer than to curselves. The extent of the Leager man's wit is measured by

oxample.
